

36th Southbay Family Roundup

Greetings from your Roundup Sites and Policies Committee.

First and foremost we hope this finds you all safe and well. Secondly, we want to update you on the latest regarding the South Bay Roundup for 2020. With much thought for the safety of everyone, and also taking into consideration the uncertainty of what the requirements may or may not be in September regarding large group gatherings, we plan to go forward with a "SUPER ZOOM" Roundup for **Labor Day Weekend, September 4-6, 2020**. Our theme for this year is "**KEEP ON TRUDGING**"

We know that it won't be the same as getting together in person - but it is our intent to make this Roundup as special and unique as all the previous 35 Roundups and the only way we can pull that off is with your participation and the enthusiasm and love you bring to the Roundup year after year. This year, more than any other, we are counting on you to double up on that enthusiasm and in turn we will do our best to make the amazing "**SUPER ZOOM**" **South Bay Roundup** an experience that feels as "in-person" as we can.

We plan to **open up registration on Wednesday, July 1, 2020**. There will be no charge to register, but we will need to know how many we have registered so we can setup the proper platform to accommodate our total registration. The meeting ID and password will be made available to you prior to the Roundup provided you have registered on the website. When you register you will also be able to purchase South Bay Roundup logo face masks (how could we resist that) and 2020 t-shirts. We remain self-supporting through our own voluntary contributions so you are also welcome to make a donation of any amount you choose in lieu of registration to help offset the costs involved for this year's events.

We look forward to your participation in making this year's South Bay Roundup the best yet as we "**Keep on Trudging**" together. Please check out the Roundup website on July 1st at <https://www.southbayroundup.org> to register. If you have any questions, you can leave your inquiries on the website and someone will get back to you or you can leave a message on the **Roundup hotline at 310-354-7660**.

May God bless you and keep you safe!

Your Southbay Sites and Policies Committee
