SCHOLARSHIPS

Please consider a donation for scholarships to help members who want to attend but do not have the financial means.

The SBAA Convention is self-supporting through the money paid for by registration fees, and donations. No AA funds are used to pay for this event. Conferences and conventions are special events and require money, as well as months of planning and preparation. Expenses include contracted costs for the use of convention center facilities, preparation of food and beverages, printing for registration forms, flyers, program schedules, postage, supplies and many other costs. The registration fee, which includes 3 meals, is kept as low as possible to meet our financial goal of breaking even.
