Ask a committee member how to get involved

*"Our public relations policy is based on attraction rather than promotion. We need always maintain anonymity at the level of press, radio and films."*

We respectfully ask that A.A. speakers and A.A. members not be photographed, videotaped, or identified by full name on audio tapes or in published or broadcast reports of meetings, including those on the Internet.

Out of respect for others, please do not take photographs during any meetings. Also, be considerate when taking photographs around the convention facility. Take care that you do not capture images of A.A. members, family members, and friends who did not give permission and may not wish to appear in your pictures. Please do not post recognizable photos of identifiable A.A. members on websites accessible to the public, including unrestricted pages on social networking sites.

Badges MUST BE WORN and are required for entry into all convention activities, except marathon meetings. Our insurance requires all attendees visibly wear their badges at all times and we thank you for your cooperation in this matter.

**Encore Audio Archives** is recording portions of the 51st Annual AV Roundup. All speaker meetings will be recorded. Recordings will be available for purchase immediately following each meeting. Order your CD's/ MP3's ahead of time and they will be ready before you leave Sunday!
