New! Watch Party Viewing Option

The General Service Board has approved a tiered-pricing registration option that is now being added for Groups and Information Gathering Watch parties. Intergroups/Central offices, districts, areas, and local A.A. groups have requested this option. A Group and Information Gathering Watch party coordinator must register and pay a 2025 International Convention Virtual Program Session Track registration fee based on a tiered number of watch party attendees as follows:

1. 6-20 attendees = \$200.00 (USD)

2. 21-30 attendees = \$300.00 (USD)
3. 31-40 attendees = \$400.00 (USD)
4. 41-50 attendees = \$500.00 (USD)

You can register for this “Watch party” viewing option at [Watch Party Viewings Registration](#)

How to Coordinate and Host a Watch Party

- Gather a group who would like to get together to watch the virtual program session track.
- The coordinator would pay for the group based on the board-approved tiered-pricing structure based on how many attendees will attend the watch party.
- The coordinator must have a place for people to meet for the Watch Party.
- The coordinator will need to ensure how people are going to view the virtual program—for example, laptop connected to a TV screen, projector on screen, etc.)
- The coordinator could request reimbursement from the other attendees for their portion of the cost of registration based on the tiered pricing for the number of people in the group.
